Case No. CF-95-104

APPLICATION FOR ORDER

COMES NOW James T. Rowan, attorney for the Defendant, *ex parte*, and applies to the Court for an order directing the evidence custodian of the Oklahoma State Bureau of Investigation to deliver the negatives of photographs taken in the investigation of this homicide case, including photographs of the crime scene, autopsy, and subsequent crime scene investigation conducted in the trailer. In support of this application, the Defendant informs the Court that the Oklahoma State Bureau of Investigation has offered to copy the photographs at a price in excess of \$1.25 per print. This price is outrageous. The Defendant can have prints made at a private business for \$.30 per print.

WHEREFORE, the Defendant applies for an order directing the OSBI to surrender the negatives of all photographs to James T. Rowan, immediately to be returned to the OSBI as soon as prints are made.
